INSTRUCTIONS

Downtown Lexington is now your dance floor.

Dress up and dance your bike around downtown during the 2009 Bike Prom. Ride stag or bring a date. No prior prom experience required, just share your fun-loving attitude and promenade your style in the city.

Ride to the check points listed on the map and stamp this dance card in the chainring at each location. You will be asked to perform prom activities at each check point, such as to glitter up your look, properly toast from a magic punch bowl, select just the right tune, take a whirl on the dance floor, and get your prom picture taken.

Grace us with your funky moves on the dance floor and compete for the coveted crowns of the Prom King and Queen. Prizes for best-dressed male and female, and for first-place male and female.

Links to photo galleries of the prom can be found at LexRides.com
